**Experienced Campaigner Leads Drive**

Donn E. McKnight, director of the United Crusade, has been named Harbor City general chairman of the United Crusade, and will appeal for funds to support the 310 United Way agencies and American Red Cross services.

An experienced campaigner, McKnight predicts the drive will be easy to execute. He served as volunteer general chairman for the United Way last year and is currently an officer in the Harbor City Club and past president of the Chamber of Commerce.

The 1964 United Crusade campaign represents a practical answer to the donor's quest for one campaign to meet the needs of all health and welfare services in Los Angeles County," stated McKnight.
